Campbell Granted Title of OTEAM Student Coordinator

by: Morgan Campbell

Morgan Campbell has been granted the position of OTEAM Student Coordinator at Indiana University-Purdue University Indianapolis (IUPUI) on August 1, 2016.

For the past 2 years, Campbell has been a summer orientation leader and First Year Seminar mentor for IUPUI OTEAM. Her personable skills and outgoing personality is what helped her gain a position as a leader. Throughout her summer as a leader, she grew into a more focused individual who was ready for a different path. Being the face

of IUPUI as an orientation leader was an experience of its own, but being the backbone of the program and facilitating the team is what she wanted to do next.

Being on OTEAM wasn't her only job as a student. Before then, Campbell worked as a Bell Attendant at The Marriott Downtown hotel located in downtown Indianapolis. In this position, she was required to greet all guests and assist them in any way that was needed. This job gave her skills that boosted her customer service and approachability. Meeting a diverse amount of guests from traveling businessmen to football star Peyton Manning's parents. Teamwork, collaboration, and adaptability were 3 huge takeaways from Campbell's time at the Marriott.

Before she chose OTEAM, Campbell was like any other undergraduate student at IUPUI. Only 2 years ago, she moved from Shelby, Indiana after graduating from Kankakee Valley High School in Wheatfield, Indiana. Campbell began IUPUI in Fall of 2014 and is currently studying journalism with a concentration in public relations. Her plans include minoring in communication studies and sports marketing. She hopes to become a Sports Public Relations Specialist with the dream of working for the NCAA or the NFL.

Campbell will be beginning her newly granted position as a Student Coordinator immediately along with 4 other undergraduate students.
